

Courses (Minimal Offering)*	Fall 2016	Spring 2017	Fall 2017	Spring 2018	Fall 2018	Spring 2019	Fall 2019	Spring 2020
CS3950 – CIS Internship	2	2	2	2	2	2	2	2
CS3990 – Selected Topics	1	1	1	1	1	1	1	1
CS4020 – Numerical Methods		Day		Night		Day		Night
CS4040 – Computer Simulation			Day		Night		Day	
CS4050 – Systems Programming		Night		Day		Night		Day
CS4051 – Internet Applications with Java	Day							
CS4100 – Artificial Intelligence		Day		Night		Day		Night
CS4200 – Compiler Construction	1	1	1	1	1	1	1	1
CS4201 – Database-Driven Web Applications								
CS4250 – Computer and Network Security								
CS4300 – Data Communications and Computer Networks		Day		Night		Day		Night
CS4400 – Database Management	Day		Day		Night		Day	
CS4410 – Computer Architecture		Night		Day		Night		Day
CS4450 – Theory of Computation	1	1	1	1	1	1	1	1
CS4610 – Computer Graphics	Day		Night		Day		Night	
CS4800 – Computer Science Seminar	Night	Day	Night	Day	Night	Day	Night	Day
CS4900 – Computer Science Senior Project	2	2	2	2	2	2	2	2
CS4950 – Internship	2	2	2	2	2	2	2	2
CS4990 – Independent Study	2	2	2	2	2	2	2	2

***NOTES:**

- **Courses may be canceled due to low enrollment, faculty on sabbatical leave, etc.**
- **“Both” means the course will be offered during day and evening. Sometimes due to special circumstance in a semester, day may switch to night and vice versa.**
- **Some courses may be offered on-line and so they are not subjected to the day/night constraint. Hybrid courses may or may not be subjected to the day/night constraint, depending on instructor.**
- **Blank means no offering and the number means:**
 1. Course will be offered irregularly, depending on demand.
 2. Course is not part of regular “steady-state” scheduling.
